Kimball Art Center: Step After Step

Through Sep 14 435-649-8882 | kimballartcenter.org

The exhibition "Step After Step" explores the evolution of walking as an art form, inviting viewers to reflect on how the simple act of walking can express political, personal and artistic meaning. In the late 1960s, as artists across the globe began to question the confines of the gallery and the commodification of the art object, a quiet revolution took shape—on foot. What began as a radical gesture against traditional media evolved into a profound artistic language: walking as art.
